

Happy Mama

Dear, whom it may concern

I hope this letter finds you well. On behalf of Little Buds, I am writing to express our heartfelt gratitude for Cambridge Charity Fundraisers' generous offer to assist us with our fundraising efforts.

I hereby confirm that Ian Darler, has permission from the Little Buds Organisation to fundraise on their behalf.

Any willingness to support our cause means a great deal to us, and we are excited about the opportunities this collaboration will bring.

Little Buds is a haven for families navigating the complexities of raising children with special educational needs (SEN). Following the inclusive ethos of Happy Mama Hub, Little Buds provides a safe and accessible environment where children can be themselves, engage in sensory and motor skill activities, and build friendships. Each week, the space offers new play themes while maintaining a familiar environment to ensure the children feel secure and happy.

Parents and caregivers also find a supportive community at Little Buds, where they can connect with like-minded families, share experiences, and receive advice. The group includes a team of specialised volunteers, such as occupational therapists, physiotherapists, speech and language therapists, and a school SENDco, who provide invaluable support and guidance.

With your help, we are confident that we can reach our targets and continue to make a positive impact in our community.

should you have any further questions, please do not hesitate to contact me.

Kind regards,
Francesca Moriarty
Little Buds Founder
